

South Hills Country Club

The South Hills Country Club facility in Jamestown, New York opened in 1971 and features 6,105 yards of golf from the longest tees for a par of 72. This gorgeous 18-hole course has stunning views of surrounding areas, gently rolling terrain on most holes, bent grass greens which are very well maintained, and a well-stocked pro shop. The banquet room in the club house seats 84. There are paved cart paths all the way around the course which can keep the course in play during rainy weather.
