CONNECT WITH THE SECTION

FROM THE PRESIDENT'S DESK

Rob Horak, PGA

PGA Professionals,

Despite the tough Spring, it seems that we have turned the corner and can expect to see good weather moving forward. I wish each of you the best of luck conducting member events at your facilities, and hope to see you at our Section Tournaments.

The MSR Cycle closes today and we are set to embark on another continuing education year. Please remember it is never too early to get started working towards the credits needed to stay an active PGA Member. The Section Education Committee will look

to kickoff the local MSR opportunities at the Fall Meeting and Education. However, there are numerous opportunities to earn the General Credits by helping out at Section Professional and Junior Events, Drive, Chip and Putt, LECOM Health Challenge, and playing in the local National Qualifiers.

Speaking of helping with Section Programming, Steve Bartkowski recently met with PGA Professional Jason Ballard at Oak Hill Country Club to review duties required by the Section at the 2019 Senior PGA Championship. This is a great opportunity to show off what our Section has to offer on the National Stage and ensure that Jason and his team are covered in all areas. Look for shifts to come out later this summer.

We will be meeting as a Board of Directors on Monday, August 13th and I encourage you to contact myself or Steve Bartkowski with any items you would like the Board to discuss as a group. Your input is a crucial piece ensuring that we are focusing our efforts in the correct areas. Nominations for inductions into the WNYPGA Hall of Fame must be submitted in writing to me no later than two weeks prior to any Section Board Meeting.

Finally, I would like to wish best of luck to Tim Fries, Dwayne Randall, Jeff Urzetta, and Rob Krajewski as they head out West. These gentlemen will represent our great section in the 2018 PGA Professional Championship starting this coming Sunday. Make some birdies!

Kind Regards,

Rob Horak—WNYPGA President

EXECUTIVE DIRECTOR'S MESSAGE Steven Bartkowski

WNYPGA Members and Apprentices,

The WNYPGA Season is here and the team at the Section Office is going in 100 different directions like many of you at your respective facilities. Section events are in full swing, the Junior Tour is off and running, Drive, Chip and Putt locals are set to begin this month, and New Foundation Programming is about to roll out for 2018.

A recurring theme seems to be surfacing through many conversations with Section Professionals. That being, we are overwhelmed and each year continue to be expected to do more with less. "Juggling many balls in the air" and "wearing numerous hats" are some of the

exact phrases.

We are all being pulled in so many directions that it is extremely important to focus on both efficiency and productivity. These are life skills crucial in the golf industry and allow us to be able to check off items on the ever growing check list. We all know that sometimes there are simply just not enough hours in the day to get to everything that we feel needs to get done. Something that I have found my self doing more and more is asking myself - What would be the focus for me if I only had 3 hours in that day to work? This allows me to break down the most important items on that list. I encourage you to look to your task list in a similar fashion

Personally, I want to thank each of you for your continued support and engagement in your Western New York PGA Section Programming. Tournament participation continues to increase, the Junior Tour and PGA Junior League has exceeded the 2017 numbers, and the PGA HOPE Program in both Rochester and Buffalo have had a record amount of instructors sign up. It is inspiring to see just how passionate our WNYPGA Members are when it comes to their Section and fellow PGA Professionals.

As Rob Horak mentioned, I had the opportunity to meet with both Jason Ballard, PGA and Bryan Karns regarding our duties for the 2019 Senior PGA Championship next May. We will look to finalize these in the coming months and send out to the entire membership. Jason's experience in Major Championships at his previous facilities will bring another level when it comes to providing the "Championship Experience." We look forward to once again selling out our shifts as we did for the 2013 PGA Championship.

Respectfully,

Steven Bartkowski—WNYPGA Executive Director

JUNE Assistant Pro Spotlight

Q. Have you ever won any Section Awards? A. 2016 Assistant Professional of the Year

Q. What/who inspired you to get in the golf business?

AMONG FIELD OF PROFESSIONALS HEADED TO THE 2018

PGA PROFESSIONAL CHAMPIONSHIP

On this Sunday, June 17th, as the final round gets underway at the 2018 U.S. Open Championship, four WNYPGA Professionals will begin their journey on the road to the 100th PGA Championship at the 2018 PGA Professional Championship. Tim Fries (Glen Oak GC), Jeff Urzetta (Oak Hill CC), Dwayne Randall (Peek N Peak Resort), and Rob Krajewski (Orchard Park CC) earned this honor by finishing in the top 4 at the 2017 WNYPGA Professional Championship played at Arrowhead GC. The national tournament will be competed June 17-20 at the Bayonet and Black Horse Golf Courses, Seaside, CA, USA.

As they prepare for their week, let's see what they have to say...

"I have been so fortunate to compete in our National Championship multiple times over the past 25 years. I was able to compete at this venue (Bayonet Black Horse) in 2012.

Competing in 2012 as well as playing here successfully in the Senior PPC in 2016 certainly affords me a certain "comfort" factor on the 2 challenging and demanding seaside courses. Long, accurate tee shots as well as precise distance control on approaches are absolute key factors in successful scoring here. Adding to the challenge is playing at sea level which adds about 300 yards to the course length based on what we are used to in WNY.

I have the ultimate pleasure in having my daughter Hannah carry the bag for me this week. She is a Junior at John Carroll in Cleveland and played for her high school team. Together we will knock out yardages, negotiate the greens, and ultimately have a memorable time visiting Monterey and this awesome part of our country!

The opportunity to compete at our profession's highest level and the chance to play in the PGA Championship at Bellerive is fantastic! I'm absolutely humbled and so grateful to be here."

-Tim Fries, PGA

"This is my first PNC. I am excited for the week to come.

I haven't had a practice round yet, but will be playing them before the event starts on Sunday. I've done a little bit of scouting on the courses already using their website and google maps, but it won't be until I get on the course that I can set my game plan for the week.

My wife Jackie is making the trip with me and is going to be caddying for me. It's going to be a lot of fun getting to experience this event with her.

Being my first time participating in the PNC, it is going to be a big learning experience for me. The guys and girls playing out there have a lot of talent and experience competing on the national level. I'm going to do my best to focus on my own game. Having Tim (Fries), Dwayne (Randall) and Jeff (Urzetta) out there at the same time will bring a level of comfort to the event as well as a couple of minds to pick. Tim and Dwayne have played in this event before and any tips they can give will go a long way. It's going to be an exciting week and I'm going to go out and enjoy it the best I can."

-Rob Krajewski, PGA

"This is my first PNC. I did get some practice rounds in and I love the courses. They are definitely championship courses and I am excited for the challenge. Not to mention, California has the best vibes!! Brian Funk is a caddie here at Oak Hill and has 20 years of experience caddying on the LPGA and PGA tour.

My only thoughts are to stay focused on the present, not get ahead of myself, and to enjoy the week!!"

-Jeff Urzetta, PGA

FRIES, URZETTA, RANDALL, & KRAJEWSKI

AMONG FIELD OF PROFESSIONALS HEADED TO THE 2018

PGA PROFESSIONAL CHAMPIONSHIP

"I have been fortunate that this will be my 10th appearance at this event. It is my first time however visiting this site. My wife will be caddying for me. As for preparing, I am working long hours to make sure that when I'm gone, my facility will be prepared and ready for the events we are hosting in my absence. I'm excited that I have been playing well lately and hope that trend continues."

-Dwayne Randall, PGA

What's on the line?
