PRESIDENT'S MESSAGE

Michael O'Connor, PGA

Happy New Year! It's my sincere hope that you had a terrific holiday season and your able to recharge for the upcoming season.

Our new Executive Director Steve Bartkowski has been working diligently to prepare for the upcoming year. As many of you know Steve has tremendous passion and a strong work ethic. Under Steve's leadership, and with support from his team Ric and Bob, I'm very excited for the future of the Section. A special thank you to Ric and Bob for their support and dedication during the transition in the Section Office.

Your WNYPGA Board met in Orlando during the PGA Merchandise Show this past January. Aside from bringing Steve on board and conducting traditional Section business, there was great discussion on how to move our Section forward. As a result of these discussions we have scheduled our first full day Strategic Planning Session for this March. Our goal is to meet for intense strategic planning sessions in the spring and fall of every year. These sessions will be anywhere from 1-2 days in length. Our focus is to establish our path forward and to bring you the WNYPGA Section Member benefits from our programs, tournaments and employment opportunities.

Rob, Dan, Steve and myself met with Keith Fisher our Employment Consultant in Orlando to strategize on how to improve the employment landscape in the WNYPGA Section. Keith is working diligently to enhance compensation in current PGA facilities and is actively engaging non PGA facilities. However, to ensure Keith's success we need to arm him with solid information. We are currently ranked 30th in the country for Sections that have completed the Compensation Survey. Please take a few minutes to fill out this survey on PGA.org, as this information will ultimately benefit you and other PGA Members in the Section. I want to congratulate our Section Members for your participation in Careerlinks. The WNYPGA is ranked #1 in the Country with 86% of you participating - great job!

As your planning for your clubs 2017 season of activities, please add PGA Junior League to the list. It's a tremendous way for you to enhance your Junior Program, while generating revenue for you and your club. Please contact your Area Director for more information and price structure. Contact; Mike D'Agostino in the Rochester Area, Chirs Kulinski in the Buffalo Area and Dave Wedzik in the Erie/Souther Tier Area.

The Spring Meeting is scheduled for Monday April 3rd at Fox Valley, with a foursome scramble to follow the meeting. Please get engaged and come kick off the 2017 season with us.

I look forward to seeing you soon!

Kind Regards,

Michael

EXECUTIVE DIRECTOR'S MESSAGE

Steve Bartkowski

Steve Bartkowski
WNYPGA Executive Director

“Sense of community is a feeling that members have of belonging, a feeling that members matter to one another and to the group, and a shared faith that members’ needs will be met through their commitment to be together (McMillan, 1976).”

PGA Professionals,

I recently found that quote in an article I was reading about The Psychology of Communities and Factors that create that “Sense of Community.” You may ask yourself – “why were you reading that article”? Well, I stumbled across this piece because of the positive energy and sense of community that I have felt since moving back into the

Western NY region. One really takes for granted what a special tight knit area that our great Section is nestled in, until they move away. Just the other day I stopped for a cup of coffee on my way to work - and to my surprise the lady in front of me paid for my purchase. Of course I followed suit and did the same for the family in the car behind me.

This sense of community and belief in the culture was never more apparent than when I visited our PGA Professionals administering the PGA HOPE (Helping Our Patriots Everywhere) program this past Monday at the Canandaigua VA. It is extremely inspiring to see our members giving back to the community that has afforded us all the opportunity to do what we love day in and day out.

As March quickly approaches us, I hope that many of you are able to sneak in one last golf trip in warmer climates before returning to your respective facilities. When everyone does finally report back to their facility, I hope that each of you are recharged and energized for the new golf season.

February and March are a time of substantial planning for your section staff. This spring we will be excited to announce some new partnerships, new events, foundation programming and a summary from the Board’s Strategic Planning Session to each of you. The Spring Meeting will be held at the Fox Valley Club on Monday, April 3rd. More specific details and itinerary will be relayed to the membership leading up.

I hope to see the majority of you in attendance!

Respectfully,

Steve Bartkowski

DISTRICT DIRECTOR'S REPORT

Tim Fries, PGA | District 4 Report

Tim Fries, PGA
District 4 Director

Hello everyone,
Hope you all had a great holiday season and finish to 2016. It was quite a year for our PGA as Jimmy Walker captured his first major at Baltusrol on the final hole, Davis Love III and our US team won back the Ryder Cup at Hazeltine, and we triumphantly celebrated our 100th year! As I head to Headquarters later this month for the PGA's Annual Planning Session I wanted to highlight just a few notes coming from National that might be of interest to you.

John Easterbrook Jr., PGA, executive vice president and chief operating officer at Troon, has been named the first Chief Membership Officer of the PGA of America. Easterbrook, a 30-year member of the PGA of America, will be based at PGA Headquarters in Palm Beach Gardens, Florida, and will report to PGA CEO Pete Bevacqua. In the newly created Chief Membership Officer role, Easterbrook will oversee the core PGA Member-focused areas of the organization, including education, employment, member services and section business operations. He will officially begin his duties on March 9. While at Troon for the past 20 years, Easterbrook was

instrumental in the growth of the company's portfolio and was responsible for the day-to-day operation of a vast global business that includes more than 15,000 associates located in 275 courses across 36 states in the U.S. and 31 countries worldwide. Easterbrook was responsible for the development of operating standards and financial benchmarking, directed field operations and sales and marketing, and was a member of the senior executive committee.

U.S. Golf Industry Unveiled Charitable Impact - A collaboration of leading organizations representing all segments of the U.S. golf industry announced details about the game's \$3.9 billion annual charitable impact with more golf facilities than ever hosting an event in 2016. According to a study conducted by the National Golf Foundation (NGF), golf as a fundraising vehicle includes an estimated: 12,700 golf facilities, 143,000 event and 12 million participants.

John Deere, a worldwide leader in manufacturing and services for Agriculture, Construction, Forestry and Turf, has been named the Official Golf Course Turf Equipment Provider of the PGA of America. The wide-ranging five-year agreement includes support of the PGA Championship, KitchenAid Senior PGA Championship and the KPMG Women's PGA Championship. John Deere will offer equipment programs to PGA-owned facilities and Championship sites over the term of the agreement. In addition, John Deere will provide discounts on home lawn maintenance equipment for PGA Professionals to access through John Deere Golf Dealerships. John Deere, which celebrates its 180th anniversary

this year, also will be a supporting sponsor of the National Car Rental Assistant PGA Professional Championship and the Senior PGA Professional Championship presented by Mercedes Benz USA. Additionally, John Deere will support PGA REACH, the charitable foundation of the PGA of America, and its initiatives.

The 64th PGA Merchandise Show signaled a strong start to the year and welcomed more than 40,000 golf industry professionals from all 50 U.S. states and 84 countries around the world. The 2017 edition delivered exciting product and industry announcements that energized the industry for the New Year. PGA Professionals uncovered the newest products, trends and technology from more than 1,000 exhibiting golf companies and brands. This included 271 companies new to the event. Nearly 1,000 media from 31 countries came to cover the newest golf products, trends, industry announcements and newsmakers of the game. Golf Channel delivered nearly 20 hours of coverage with "Morning Drive" and "Golf Central," giving viewers worldwide insider access. Also, complementing the many media outlets providing daily live digital coverage, SiriusXM PGA TOUR Radio Network broadcast 34 hours live during PGA Merchandise Show Week.

If you have anything you would like to share please don't hesitate to contact me. I look forward to seeing everyone at the WNYPGA Spring Meeting on April 3rd. Until then make some birdies and commit to playing more golf this season!

Respectfully,
Tim Fries, PGA

EMPLOYMENT BRIEF

Keith Fisher, PGA

PGA Compensation Survey, Use It to Your Advantage

The PGA Compensation Survey is the most credible source of compensation information in the golf industry. This is primarily due to the overwhelming support from you, the PGA Professional. In 2016, over 14,000 PGA Professionals completed the PGA Compensation Survey. To keep you armed with the most accurate data, it is necessary to refresh the statistics with up-to-date information. All PGA Professionals, both Apprentices and Members, in all job categories, are encouraged to participate. The better the participation, the better the information we will have to work with. Please understand that *all individual responses are completely confidential*.

Participation in the survey provides you and your colleagues with accurate compensation information when you need it for negotiations, job searches and budgeting. An accurate reflection of what all members are earning is needed, so we encourage all PGA Professionals to support this survey, especially our most highly compensated professionals. If highly compensated individuals do not participate, the survey numbers reflect lower earnings, which then in turn hurts all future job opportunities. Your peers, your local PGA Section and especially PGA Employment Consultants who meet with employers need accurate information to help upgrade positions for all PGA Professionals.

NOTE: Through the first three weeks of the Compensation Survey, response is lagging well behind previous years; I urge you to participate and please remember that all information submitted is confidential, so don't let this be a deterrent. If you have any questions, please feel free to call me about the particulars

with regard to the confidentiality of the survey.

The survey has been streamlined and should only take 15-20 minutes to complete if you are prepared with the necessary information. Click on the provided link to begin:

pga.org/articles/take-pga-golf-professional-compensation-survey

PGA members who complete the survey by March 31, 2017, can receive up to two (2) Member Service Requirement (MSR) credits. **IMPORTANT NOTE:** *MSR credit is not applied at the time of survey submission, but will be posted periodically throughout the course of the study with all MSR credits applied by the end of March.*

Your fellow PGA Professionals and I appreciate your participation. Results and data from the Survey will be available later this spring. If you have questions or need assistance finding PGA Compensation Survey data for your own situation, please contact me.
