## Overview

Canandaigua Country Club is a private club established in 1922 located on Canandaigua Lake. The clubhouse and golf course were both renovated in 2017 with golf course architect Stephen Kay completing the course renovation. The Club has 785 total memberships including 235 golf memberships, with an extensive waiting list for both Golf and Social Memberships. The membership consists of many dual club members which spend their summers and weekends at their lake homes. Canandaigua Lake has the second most expensive lakefront property values in the country, second only to Lake Tahoe. We are looking for a highly motivated individual with a love for the game and the golf business. This individual must possess excellent customer service and interpersonal skills and have a strong attention to detail. The selected candidate will be working with numerous members and guests on a daily basis and previous golf course experience is preferred.
