Overview

Midvale Country Club is a private golf and country club located in the rolling hills of Penfield, a few miles east of Rochester, New York. It is the first course designed and built by world-renowned architect Robert Trent Jones Sr. It provides first class amenities, an Olympic sized swimming pool, hard court and paddle tennis, along with a large practice facility. The active social and golf calendar provide members with year-round offerings to enjoy the club with family, friends and guests.
