CONNECT WITH THE SECTION

FROM THE PRESIDENT'S DESK

Rob Horak, PGA

I hope everyone had a wonderful Holiday Season and Happy New Year and I hope that 2019 is a great year for everyone. This coming year will be a busy one not only for our Section, but also for the PGA on the national level as well. As was mentioned in the November newsletter, Suzy Whaley was elected as our first female President of the PGA. What an exciting time for our organization! Also, PGA National will be moving its headquarters to Frisco, Texas in the near future. After much deliberation, your National Officers chose Frisco over several other locations. The PGA will still keep a presence in Palm Beach Gardens, as well as offices in New York City, but most key staff will eventually work out of Frisco. More information on the move can be found on page 10 of this Newsletter.

On the Section level, 2019 is looking to be a busy year as well. Plans for the relocation of our homesite to Glen Oak are nearly complete and renovation work should be starting soon. Our goal is to have the relocation done sometime in March. Steve has also been busy working out the final details to bring the Vegas Pro Am back for the 2019 season. We are looking to return to Paiute and Bally's with the dates being November 16-20th. More details will be released shortly but start planning to form your team(s) and get in on the fun.

In 2019, we will be the host Section of the Senior PGA Championship in May and will need the help of numerous Section volunteers to make the event a great success. There are still 36 shifts that need to be staffed, so please contact a Section Staff Member if you have not registered to volunteer yet. Each volunteer receives MSR Hours and a nice championship package. As a reminder, the Senior PGA brings revenue and national recognition to our Section, so your help is critical in making it successful.

Finally, your Board will be conducting its winter meeting in Orlando on January 22nd prior to the PGA Merchandise Show. The Board is also scheduled to meet in March as well as conduct a Strategic Planning session. Committees are being finalized, so please contact the Section Office if you would like to serve the Section in any capacity. I promise that your time will be very rewarding and greatly appreciated. I hope everyone has a safe and healthy winter and I look forward to seeing everyone soon.

EXECUTIVE DIRECTOR'S MESSAGE

Steven Bartkowski

Happy New Year to All,

It is hard to believe that this will be the third year proudly serving as your Executive Director. I am sure many of you have heard the below quote before, and I am starting to understand it more and more (especially since my marriage in 2017).

***“The days are long, but
the years are short.”***

-Gretchen Rubin

This is certainly a quote that I feel resonates particularly in our business. In the Northeast, we spend so many hours between March and November at our respective jobs. Year after year PGA Professionals conduct opening and closing days, member-guests, member-members, invitationals, junior programs –the list goes on and on. It all takes numerous hours of planning, and then before you know it the season is over and the planning begins for the next season.

As someone who considers them self still on the “front-nine” of my career I am constantly reminding myself of this each day that I wake up. For those that are the younger Associates in our Section, I would encourage you to do the same. Give everything you have to your family, your friends and your job. Try new things and never forget the value that you bring as a human being and an employee.

The 2019 WNYPGA season planning is well underway and has some exciting announcements, programs, and initiatives right around the corner. We will be celebrating the 20th Anniversary of our Junior Tour, will be hosting the Senior PGA Championship, releasing a new state of the art website, building new professional offices, bringing back the Las Vegas Pro-Am, and releasing a grant program for our Members (just to name a few). All these programs will be designed with you as the PGA Member in mind. Please look for emails in the coming months from your Board and Section Staff with more details and as always don't hesitate to reach out if you have any questions.

Respectfully,
Steven Bartkowski
WNYPGA Executive Director

Calling All Rochester PGA Professionals!

Head PGA Professional at Penfield CC, Mike D'Agostino, needs your help to once again make the Rochester PGA HOPE Program a success. The winter session will once again be held at the Canandaigua VA Hospital, beginning in February, on Monday's at 10:00 AM.

This is just another way to market your net worth as a PGA Professional in the community.

For more information on how to get involved please contact Mike at mikethepro@aol.com.

FOUNDATION IMPACT CONTINUES TO GROW

WESTERN NEW YORK

PGA HOPE BENEFITS FROM TEE IT FOR TROOPS EVENT

One Step Closer to Solo Rider Purchase

WNYPGA Executive Director, Steven Bartkowski, once again had the honor to serve on the Tee it For the Troops Planning Committee in 2018. Despite the event being canceled due to weather, the reception was still held at Wanakah CC and raised just under \$70,000 for various organizations that support the military around WNY. One of those beneficiaries was the Western NY PGA HOPE Program. Above you can see PGA REACH WNY Foundation Treasurer, Jeff Mietus, accepting a check for \$11,508.21 from Committee Chair Tom Waring. These monies will be used to enhance the HOPE Programming in 2019 and the Board of Trustees hopes to be able to gift a Solo Rider to each PGA HOPE Chapter to allow for those that are extremely physically challenged to still be able join the program and play golf.

TOP MALE & FEMALE EARNERS GIVEN FREE RIDE ON JR TOUR

PGA REACH WNY initiated the Sun Mountain Golf Bag Fundraiser in 2018 which saw numerous juniors raising close to \$2,500 for youth initiatives such as Smiling Fore Life and Junior League. The program that was partnered with *Bloom For Good*, gave juniors the opportunity to earn a personalized WNYPGA Sun Mountain Golf Bag if they raised a minimum of \$300 on their Go Fund Me Pages. Pictured to the left is the top female earner in 2018, Emily Ferguson. Due to her efforts to support her community, PGA REACH WNY will be paying for her full entry into the 2019 WNYPGA Junior Tour. This will be Emily's first year playing on the tour and she was quoted saying, "Can't wait for the 2019 WNYPGA junior tour season to start!!"

Senior PGA Championship Returns to Oak Hill in '19

PGA of America relocating headquarters to Frisco, Texas as part of innovative public-private partnership

Frisco, Texas (Dec. 4, 2018) - The **PGA of America** is moving its headquarters from Palm Beach County, Florida to Frisco, Texas, the *'2018 Best Place to Live in America,'** where it will anchor a 600-acre, mixed-use development with an initial investment worth more than half a billion dollars.

Today's announcement follows votes by the **Frisco City Council**, its **Economic and Community Development Corporations** and the **Frisco Independent School District** (FISD) board of trustees. The PGA of America will initially employ at least 100 people at the Frisco-based headquarters. Under this agreement, two PGA Championships, two KPMG Women's PGA Championships and potentially a Ryder Cup will be held in Frisco.

This groundbreaking agreement is estimated to have an economic impact of more than \$2.5 billion over the next 20 years based on a city commissioned tourism feasibility study.** The study considered the economics of golf course activities, including tournaments, plus the additional impact from the new conference center.

The PGA of America is teaming with **Omni Stillwater Woods (OSW)**, a joint venture led by Omni Hotels & Resorts with Stillwater Capital and Woods Capital; the **City of Frisco**, as well as its **Economic and Community Development Corporations**; and the **Frisco Independent School District**.

"Our move to Frisco will be transcendent for the PGA of America," said **Seth Waugh, CEO, PGA of America**. "Everything great starts with a dream. This is the beginning of a bold, new journey as we bring together world-class partners in a world-class location – to deliver innovative and differentiated experiences for our nearly 29,000 PGA Golf Professionals, golfers of all abilities and our staff."

EMPLOYMENT BRIEF

Chris Kulinski, PGA

Your Career Coach is Waiting for Your Call!

Advocating for you, the PGA Member

Chris Kulinski, PGA Employment Consultant

One of the most gratifying parts of my job and the one that is most important to our department is the time I get to spend each day coaching and mentoring PGA members. As career consultants, we pride ourselves in our ability to build a relationship with you. I have been in the WNY section for over 15 years now and have built many relationships, I would like to build more relationships with those I have not connected with yet.

Every time I saw a CareerLinks notification and was interested in applying for the position or needed career planning assistance, I would reach out to the current career consultant. If it was Tom Kendrick or Keith Fisher, they always were available to provide insight to the position and my career. As consultants

- We may have critical information about CareerLinks searches we are assisting employers with that could be of great importance to your application for the position.

- We have the tools necessary to enhance your resume and cover letter to help set you apart. Remember point #1 above when working with your resume: Accomplishments, success stories and impactful experiences add value to a presentation to an employer.

- Take advantage of the tools and resources you have available to you to assist with any employment related scenario you might face, such as compensation negotiations and use of the PGA Compensation Survey reporting tool, year-end review ideas, communicating with your employer information and many more.

Utilize our Career Path Planning tools to assist you in making the roadmap to your dream job and beyond a reality.

The tools we use come from the litany of print materials the Career Services team has put together over the years. This information was gathered from working with employers and PGA members in our industry and most importantly, the experiences our team members have in “real world” situations. Situations our PGA members are faced with on a daily basis.

What are you doing to plan out your career moves and how are you implementing them?

Have you looked ahead, five years or more, and laid out the path you should take to reach your goal or “dream job”? I can assist you with this endeavor by starting the career planning process. I will send you a series of forms to fill out and then we can get you on the path to future success by setting goals and holding each other accountable.

Remember we, the PGA Career Consultants, are your “advocates”! We can help you separate yourself from your peers with information you can use to become the one the employer will want to interview!

The PGA of America’s Career Services Department is committed to assisting PGA Professionals reach their personal and professional goals. The Career Consultant team and PGA.org have the tools you need to make a better presentation of your skills and ideas to separate yourself from others who are vying for the same job. We are the “advocate” you may be looking for and we want to help!
