# What's in the Bag: Kirk Stauffer, PGA

Kirk currently holds 1st Place for the OMEGA Player & Sr Player of the Year Race

## 2019 Stats:

- 1st Place at the WNY Classic
- 1st Place at Bartlett Pro-Am

## DRIVER

I am currently playing the Titleist TS3 Driver with a B2 setting, draw bias, with a Mitsubishi Tense 55 gram stiff shaft. I personally think this was the best Driver Titleist has ever made.

## HYBRIDS

Because I am the worst fairway wood player ever, I carry two hybrids.

Titleist H1, 18 degrees, Fujikura Speeder stiff shaft.

Titleist H1, 21 degrees, Fujikura Atmos stiff shaft.

## IRONS

4-PW Titleist AP2-716 with KBS Tour-C Taper 120 stiff shaft, standard lofts.

## WEDGES

52 degrees, 56 degrees, 60 degrees Vokey SM7 wedges with S-200 shafts.

## PUTTER

Scotty Cameron Futura 34 inches. I have been putting with this model on and off, for about 15 years. I also have a Scotty Cameron Newport 2.5 that I use periodically, especially on Bermuda greens.

## CARRY DISTANCES

DRIVER	250 YARDS
HYBRID 1	220 YARDS
HYBRID 2	205 YARDS
4-IRON	190 YARDS
5-IRON	180 YARDS
6-IRON	170 YARDS
7-IRON	160 YARDS
8-IRON	150 YARDS
9-IRON	135 YARDS
PW	120 YARDS
52	105 YARDS
56	90 YARDS
60	75 YARDS

## GOLF BALL

I have been playing the Pro V1X for several years. This year I switched to the yellow version, mainly because of vision. This ball is a lot easier to track in flight.

## ACCESSORIES

I carry the usual accessories in my golf bag: Umbrella, 6-9 golf balls, 6 golf gloves, and a Bushnell Range finder.

As Championship season is fast approaching, I want to wish all of you the best of luck and lets play our best. Good Luck!!!!!!!

WESTERN NEW YORK

# 98-Day 100-Hole Marathon for Charity

PGA REACH WNY is the 501 (c) (3) charitable arm of the Western New York Section, PGA of America. PGA REACH WNY was created with a goal of providing support to various organizations within the boundaries of the Western New York PGA Section. Through the game of golf, the Foundation will work to fund programs supporting its mission including the Western New York Section PGA Junior Golf initiatives and various other underprivileged youth golf programs. The Foundation will conduct and/or support a variety of initiatives that serve the founding pillars: youth, Military, and diversity in golf.

By raising funds through the 98-Day 100-hole Marathon, PGA REACH WNY Foundation has a vision to establish:

- ♦ An indoor/outdoor learning center that would allow for year-long programming for veterans, juniors and diverse individuals alike that may otherwise not have access to golf.
- ♦ A workforce program for our veterans to be able to earn some money while learning the trade of the golf industry.
- ♦ A junior golf scholarship program for less fortunate individuals to be able to attend college.
- ♦ A stable PGA Works Program with a new Works Fellow being hired on an annual basis.

In Western New York, the majority of our golf season is played between Memorial Day and Labor Day (i.e. 98 days).

## PGA REACH WNY 98-Day 100-Hole Marathon for Charity Details:

- ♦ Team of 4 Golfers (PGA Professionals, Amateurs, Juniors Golfers are all welcome!)
- ♦ Play 100-holes of golf in one day between Memorial Day and Labor Day.
- ♦ Play can be in any format the individuals choose.
- ♦ Pledge funds through respective networks - can be lump sum, certain dollar amount per birdie, based on how long it takes, etc. We encourage you to make it fun!
- ♦ 50% of the funds raised go to PGA REACH WNY and 50% go to another charity of your choice.

To set up the date of your marathon and receive marketing materials, please contact WNYPGA Executive Director Steven Bartkowski at (716) 313-2943 or [sbartkowski@pgahq.com](mailto:sbartkowski@pgahq.com).

Thank you for your generosity!

## **Assistant Professional Spotlight:**

### **Anthony Schiro (Glen Oak Golf Club)**

**We sat down and talked with Glen Oak's newest PGA Professional, Anthony Schiro, to get a glimpse at his experience as a PGA Professional thus far!**

**Q: What is your original hometown?**

**A:** I was born and raised in Niagara County. I went to North Tonawanda Catholic School until 8<sup>th</sup> Grade before attending Niagara Wheatfield High School.

**Q: How long have you been a PGA Associate?**

**A:** This is my first year of being a class B-8 Member.

**Q: What is your tenure at Glen Oak Golf Course?**

**A:** This is my first year at Glen Oak and I couldn't be happier! There are so many great things happening at our course, it's amazing to be a part of it. I am excited to see what the future holds for Glen Oak.

**Q: How long have you been in the section and have you had any other jobs?**

**A:** Before starting at Glen Oak this season, I worked the past 7 seasons at Transit Valley Country Club. I worked under some of the best Golf Professionals I know – Tim Fries, Jeff Mietus, Rodney Blair, and Jonathan Decker – I gained so much knowledge during my time with them; I owe each of them a huge thank you for all their help and support. Also, this past winter, I worked at a wonderful golf course in Tampa, FL called Old Memorial and I plan to continue my work there during the winter season.

**Q: Have you won any section awards?**

**A:** Being relatively new to the profession, I have not had many opportunities to participate in section competitions; hopefully the next time I get asked this question I'll have a better answer!

**Q: What/ who inspired you to get into the golf industry?**

**A:** First, my father, Rick, taught me how to play golf at a young age and helped develop my love for the game. Second, my Uncle Doug, who passed away just over a year ago after a long fight with cancer, was simply the greatest man I had ever met. He was a man who would make you laugh or smile with his positive, upbeat personality, no matter the circumstances.

During my Uncle's last few years, we played a lot of golf together and those were hands down the best moments I had playing golf. Some of the most important life lessons he taught me were while riding side by side in a golf cart. The most memorable lesson being, "you never know when life may cut you short so do what makes you happy".

About a month after the passing of my Uncle Doug, I was driving home from my job as a Health Care Recruiter upset and dreading work the next day. I reminisced about one of our golf cart conversations where he told me about how to live my best life and find work I'm passionate for. The next day I gave my two-week notice and pursued my dream of being a golf professional and here we are today!

**Q: What are your responsibilities at the club?**

**A:** I primarily oversee the golf shop & outside operations along with tournament management and staff scheduling. I also do lessons on a weekly basis and help our Director of Instruction - Rob Krajewski with the JR Golf Clinics and practices we host.

**Q: Are there any fun programs you have initiated for the golfers at Glen Oak GC?**

**A:** I personally have not initiated these fun programs, being new to the golf industry, I am just getting my feet wet in the business. However, I have been involved with the following programs we host at Glen Oak - PGA Jr League, PGA Hope & PGA Reach Clinics, Get Golf Ready Clinics, and Drive Chip & Putt Contests. I am excited to keep learning and hope to initiate my own fun programs for the golfers at Glen Oak in the coming seasons.

# “BEST PRACTICE”

## *Conduct a DCP Practice*

Drive, Chip and Putt continues to gain in momentum not just across the WNYPGA Section but on a national scale as well. This year the Section conducted 4 Local Qualifiers that led up to Sub Regional that saw just under 600 kids come out and tee it up.

As a PGA Member you have access to use the Drive, Chip and Putt branding to your advantage. This year fellow PGA Professional, Rob Krajewski, did just that. Rob was able to use marketing tools from the PGA of America to run two DCP practices for his junior program at Glen Oak. The practices brought new faces, smiles and revenue to both him and the facility. Rob was also gracious enough to have a portion of the entry funneled back to PGA REACH WNY.

If you are interested in learning more, don't hesitate to reach out to Rob Krajewski. This is a great way to bring new excitement to your junior program at little to no cost.
