

WNY PGA HOPE 2024 Information - Locations - Dates

Things to Note:

- PGA HOPE is open to new veterans who have not received HOPE graduate status.
- All HOPE programs are 6 weeks. If you are unable to commit to 6 weeks at this time, please consider leaving the spot open for another veteran.
- Those that meet the graduation requirements, attending all 6 weeks of a session will receive their graduation status.
- Upon clicking the registration link, you will be requesting an ACCESS CODE. Requesting an access code DOES NOT guarantee you a spot. Once you receive an access code, you must still complete registration - a first come first serve basis.
- If a session is full, as space is limited, you will be directed to a WAITLIST. If a spot opens up, you will be contacted directly. Please do not contact the lead professional or facility as the waitlist is managed by PGA HOPE at the National level.

PLEASE note: Sessions will open 6 weeks in advance for registration. Please do not sign up for more than 1 session. As of this email, the Rochester - Wild Wood session is the only one open for registration.
