Renewed WNYPGA Section Partnership *Antigua Apparel*

EAST AMHERST, NY (April 22, 2024) – Antigua has renewed their partnership with the Western New York PGA Section.

Antigua Apparel – Since 1976, Antigua has had the mission of making quality, versatile apparel that makes you feel comfortable in all of life's moments. When you feel your most comfortable mentally and physically, you perform your best. With a heritage based in golf, the Antigua product can be seen on touring professionals and at tournaments nationwide. Now, through a comprehensive and matured brand, apparel collections feature professional sports leagues, colleges, and universities.

Every season Antigua works on a new product, they keep two things in mind: quality and comfort. This is the Antigua expectation customers have. These two core values lead to versatility - on the 18th hole and on the 19th. Constantly innovating and striving to be better, Antigua Apparel has created a culture of providing the best products to make you look and feel good.

“WNYPGA is excited to welcome back our friends at Antigua with our renewed 2024 Section partnership. For our Section to continue its partnership with an exciting brand like Antigua, who is committed to providing top-tier apparel for the game of golf, empowers our Section here in Western New York to continue elevating our Professional PGA events,” said John Osberg, Director of Development for WNYPGA. “This is another partnership that’s been renewed in service of both our PGA Professional Members and the WNY golfing community at large!”

About WNYPGA

The mission of the Western New York Section of the Professional Golfers' Association of America is to establish the Section as a viable, valuable, and visible organization in promoting the growth of golf and the advancement of the golfing profession. The WNY Section shall be the leader in the promotion of golf, a provider of job opportunities for its PGA Members and Associates, a professional force for PGA Members to maintain and upgrade their skill level to allow them to compete in today's business world, a leader in teaching and tournament operations, and finally, a trainer of future Golf Professionals and other career positions.
