New WNYPGA Section Partnership *GolfDojo*

EAST AMHERST, NY (April 9, 2024) – The Western New York PGA Section is proud to announce that GolfDojo has become a new partner.

GolfDojo provides golfers year round access to golf powered by TrackMan in fully enclosed suites. With the flexibility to choose your own golf experience, GolfDojo provides a comfortable and focused environment allowing every golfer to perform their best no matter the weather or time.

GolfDojo was created for your space, for your time, and for your game.

“WNYPGA is stoked to welcome yet another new and exciting Section Partner with GolfDojo. Having this new support and involvement from the Founders of GolfDojo is a great validator for us as we continue to see explosive growth in the indoor golf venue / golf simulator venue realms here in Western New York!” said John Osberg, Director of Development for WNYPGA. “I said this before but it is good to reiterate how cool it is for me as the Partnerships Lead at WNYPGA to see the crossover between our varying Partners - for example - previously established relationships between GolfDojo and long-time Partner, Custom Golf, within our WNYPGA Section. This is proof to me that there’s real synergy here in our Section and our collective partners. This is another new partnership that’s been created both in service of our PGA Professional Members and for the WNY golfing community at large!”
