T Squared Putters – A Buffalo native, Toby Tuber, Co-Founder of T Squared Putters, had one mission - making the perfect putter. Tuber began playing golf at a young age just for fun, but once he became a teenager, he began to play more competitively.

Throughout this time, Tuber’s dad was operating a startup company that specialized in manufacturing surgical dental equipment. Never quite interested in the dental field, Tuber didn’t give his dad’s work too much thought and would just occasionally help out. This all changed when Tuber found out that those same machines used for dental equipment could also be used for golf equipment.

Tuber immediately began to learn the machines and began getting to know the engineers with a goal of developing a putter prototype. When it turned out high quality, Tuber knew he was onto something, and thus, T Squared Putters was born.

“WNYPGA is grateful and excited to welcome back yet another highly coveted Section Partner with T Squared. Having the continued support and involvement from Tony, Scott, and the team at T Squared is a major deal for us as we continue mint partnerships, both new and current, that add value to our Members and support local businesses at the same time!” said John Osberg, Director of Development for WNYPGA. “This is a renewed partnership that’s been retained and grown both in service of our PGA Professional Members and for the WNY golfing community at large!”

About WNYPGA

The mission of the Western New York Section of the Professional Golfers’ Association of America is to establish the Section as a viable, valuable, and visible organization in promoting the growth of golf and the advancement of the golfing profession. The WNY Section shall be the leader in the promotion of golf, a provider of job opportunities for its PGA Members and Associates, a professional force for PGA Members to maintain and upgrade their skill level to allow them to compete in today’s business world, a leader in teaching and tournament operations, and finally, a trainer of future Golf Professionals and other career positions.
