

New PGA REACH WNY Foundation Partnership *National Fuel*

EAST AMHERST, NY (May 9, 2024) – The PGA REACH WNY Foundation is proud to announce that National Fuel has become a new partner.

National Fuel®

National Fuel – Incorporated in 1902, right in our own backyard, Williamsville, NY, National Fuel is an integrated energy company with a complementary mix of natural gas assets located in the heart of the prolific Appalachian basin. They are able to position themselves as a responsible player in America’s energy renaissance as they leverage their vast upstream resources, valuable midstream footprint, and reliable downstream operations.

“The PGA REACH WNY Foundation is grateful to welcome an institutional name to our new Foundation Partnership Family in National Fuel. With securing this partnership through one of our coveted Foundation Trustees and having it aimed at providing financial support to one of our three Foundation Pillars, PGA HOPE (Helping Our Veterans Everywhere), in support of our Country’s military heroes, is energizing and exciting for our Community, Foundation, Supporters, Veterans, and beyond!” said John Osberg, Director of Development for PGA REACH WNY.
