

WESTERN NEW YORK

New WNYPGA Section Partnership *StickX Golf*

EAST AMHERST, NY (May 30, 2024) – The Western New York PGA Section is proud to announce that StickX Golf has become a new partner.

STICKX GOLF

StickX Golf – Based in South Florida, StickX is a golf club trade-in service that was built to address the shortcomings of online only alternatives for private clubs and golf retailers. Unlike the many drawbacks seen for online-only trade in services that are inconvenient and frequently create undue

administrative burden, StickX has worked to improve the customer experience. They have accomplished this through picking up all trades in person, automatically accepting condition grades as described, initiating payment the same day clubs are submitted for trade online, and upon request, sending representatives to conduct trade-ins in person when you need it most at no charge.

Being a local company with regional operations allows StickX to foster high trust, face to face relationships with clubs and pro shops, which enables them to serve every customer in a way online-only alternatives simply cannot. To stay relevant and up to date, StickX regularly adapts their services to accommodate the specific needs of the customers. Customized solutions may also be available upon request.

“WNYPGA is excited to welcome a new Section partner – StickX Golf. Their customized offerings and ease of use trade in configurations for our PGA of America Pros, both Head Pros and Assistant Pros, is yet another example of our drive to add partners who enhance and elevate the Member experience here in Western New York,” said John Osberg, Director of Development for WNYPGA. “This is another new partnership that’s been formalized in service of both our PGA Professional Members and the WNY golfing community at large!”

About WNYPGA

The mission of the Western New York Section of the Professional Golfers’ Association of America is to establish the Section as a viable, valuable, and visible organization in promoting the growth of golf and the advancement of the golfing profession. The WNY Section shall be the leader in the promotion of golf, a provider of job opportunities for its PGA Members and Associates, a professional force for PGA Members to maintain and upgrade their skill level to allow them to compete in today’s business world, a leader in teaching and tournament operations, and finally, a trainer of future Golf Professionals and other career positions.
