SCORE LIMITS:

We would like to remind both parents and juniors that although the Tour is meant to be an enjoyable learning experience for those involved, there is a high level of competitiveness. For that reason, and to help maintain a reasonable pace of play, the WNYPGA Junior Golf Program has found it necessary to implement the following policy. This policy is not in effect to discourage junior golfers, but rather to provide a competitive program in the WNYPGA Section.

***Note: Any player who shoots a score over the posted limit for his/her age at TWO different events will be subject to review and could be eliminated from the remainder of the schedule.**

Weather and course conditions will be taken into consideration in determining the score limits. If the scoring limits cannot be met, the WNYPGA Junior Golf Program will be pleased to assist you in finding a local golf program or PGA Professional for instruction.

PACE OF PLAY:

Our Tour will strictly enforce pace of play guidelines as posted on the rules sheet and each individual scorecard at each event. We expect that our players are capable of playing an 18-hole round of golf in 4 hours or less. When a group is out of position and behind their allotted pace of play (as defined on our rules sheet), the individuals in the group will be timed until the group is back in position and on schedule. This is not meant to punish the junior player but to make sure that the event is enjoyable for all.

RULES VIOLATIONS & CHEATING:

The USGA Rules of Golf and the local rules of each facility shall be observed. If you are suspected of cheating, measures will be taken to monitor your score during future junior events. If a player suspects another of cheating or of violating a rule of golf, the player should seek a rules official as soon as possible to handle the situation. Cheating will result in immediate disqualification from the Junior Golf Program with no refund.

***Note:** The WNYPGA Junior Golf Program trusts that its members will act on the ethical responsibility of notifying a rules official of any problems before spreading rumors of alleged violations. Any questions or concerns should be addressed prior to scorecards being signed, as they will be viewed as the official record of the event.

CADDIES GUIDELINES:

Players **MAY NOT USE** caddies or motorized carts. All players **must** carry their own clubs or use a pull/push cart (if permitted by the facility).

WEATHER POLICY:

The WNYPGA Jr. Tour weather policy is as follows: *All play will stop once a lightning strike is within a 10 mile radius. 30 minutes is needed after the strike, with no other strikes in the radius, to resume play. If other strikes occur within the 30 minutes, the timer starts over.* The only exclusion to this policy would be if a host facility has their own weather policy, which we will follow.

We understand that we are working with Juniors who are walking, so extra time will always be given to safely get the Juniors off the course or under shelter. The Juniors also receive weather policy information at the first tee announcements.

PLAYER & SPECTATOR CONDUCT:

Any conduct that may be detrimental to the WNYPGA Junior Tour will not be tolerated. This includes abusive or foul language, throwing clubs, pace of play, dress code, and damage to the golf course or another player's belongings. The first such instance of any of these actions may result in a warning, two stroke penalty, or disqualification (Rule 1.2b). Possession of alcohol, drugs, or tobacco products, gambling, or display of vulgar or abusive behavior will result in immediate disqualification (Rule 1.2b). A serious breach of Standards of Player Conduct (Rule 1.2) will result in disqualification from the event. Multiple violations will result in dismissal from the WNYPGA Junior Golf Tour without refund. *Players are responsible for the actions of their spectators as well.*

CELL PHONES:

Players:

Use of cellular phones for any reason other than mobile scoring or use of the USGA Rules app is prohibited during any WNYPGA Junior Golf Tour events. If you must carry one with you, **PLEASE** turn it to **SILENT MODE** during your round to avoid any unfortunate distractions to you and your fellow competitors.

Spectators:

Should spectators need to use their phones to make a phone call, they are requested to return to the clubhouse area or an area that will not be distracting to players in the competition. Phones are permitted for taking pictures, but please place it on **SILENT MODE** so as not to disturb players in the event of an incoming call.

SPECTATOR CARTS:

SPECTATOR CARTS may be available at the discretion of the host facility. Pro shop fees apply. When spectator carts are permitted, all carts must remain on cart paths when available at all times. Where spectator carts are available, they may be rented on a first-come, first-served basis. By purchasing a spectator cart, the spectator agrees to abide by all host facility rules and regulations regarding the operation of the cart. Unless directed otherwise, players will not be allowed to be given rides by spectator carts during the event. Carts may be limited at facilities.

SPECTATOR ALCOHOL & SMOKING POLICY:

Added to the Handbook and Jr Tour in 2025:

In an effort to maintain the utmost level of safety, decorum and integrity that the game of golf brings to our Junior players, effective January 1, 2025, spectators **will not be permitted to consume alcoholic beverages or smoke/vape including nicotine and THC products, while actively spectating a WNYPGA Junior Tour event**, including WNYPGA Junior Section Championship. Thank you for your cooperation and helping to provide our players the best possible tournament, playing and spectator experience!

CARE FOR THE COURSE:

All players are expected to maintain the golf course by replacing divots, repairing ball marks, raking bunkers, etc. Any abuse to the course or other club facilities will result in immediate disqualification (Rule 1.2b). All players and parents are also encouraged to thank the host club, staff, and volunteers for their support of junior golf.

Proper dress is required at all times at the host facility. This includes the driving range, practice green, or the clubhouse. Questionable attire will be reviewed by the WNYPGA Staff. Should a host facility have a stricter dress code, its policy will take precedence.
