Antigua Partners with the Western New York PGA for 2025 Season

East Amherst, N.Y. — April 17, 2025

The Western New York Section PGA is proud to welcome Antigua as a Supporting Partner for the 2025 season. A trusted name in golf apparel for over four decades, Antigua joins the WNYPGA for another year to support its mission of serving PGA Professionals and promoting the game throughout Western New York.

Known for combining comfort, performance, and timeless design, Antigua has long been a staple in golf shops and on fairways across the country. Through this new partnership, Antigua will engage with WNYPGA Professionals at key events, while showcasing its latest collections to the Section's network of golf professionals and facilities.

"We're excited to renew Antigua as a partner of the WNYPGA," said Victoria Schiro, Executive Director of the Western New York PGA. "Their commitment to quality and consistency resonates with PGA Professionals, and we're looking forward to working together again to enhance apparel offerings for our members and their clubs."

As a Supporting Partner, Antigua will receive exposure through the Section's digital platforms, tournament presence, and direct engagement opportunities with PGA Members. Their gear will also be featured as part of player gifting at select events during the season.

"We are proud to support the Western New York PGA and the professionals who help grow and lead the game every day," said John Plumb from Antigua. "We're excited to strengthen our presence in the region and provide apparel solutions that meet the performance needs and style preferences of today's golf professionals."
